CAREER SUMMARY

FIRST SOLO ART SHOW • OUT DOOR COUNTRY CLUB IN YORK, PA • JULY 31, 2023 – SEPTEMBER 23, 2023

Artwork was created with hope to invite fun, color, nostalgia, positivity, and self-guided interpretation in the work.

PLEIN AIR PAINTING • YORK, PA LOCAL BUSINESSES • 2023

2023 has been the year I have reached out to local businesses to set up and plein air paint during their business hours. My on-going efforts have allowed me to get to know a few of the businesses owners in Downtown York and help network both myself and the businesses I have the honor to paint at. My goal is to create enough plein air art focused of York scenes to be shown in a future date or create art sales- whichever happens first.

PRIVATE ART LESSONS • 3RD FLOOR OF THE HANDSOME CAB YORK, PA • BEG. 2020-PRESENT

I had a few past patrons approach me and asked if I would ever teach private lessons, and since 2020 a few per times month I have the opportunity to work with 2 groups of 3 students at a time on basic principles of drawing/painting and introduce new art materials to create with. These opportunities allow me to breakdown the basics for others which in turn has helped myself to improve as an artist and they're also very rewarding.

GRAPHIC ART & ILLUSTRATION • HORN'S FARM & PATRICK STUNNER • 2023

This year I also added work to my portfolio of a tee-shirt design for the Pawpaw Festival at Horn's Farm and I created album cover artwork for an up and coming Hip-Hop Artist. These experiences both came to me through conversation and the willingness to give them a shot. Each trial art examples were accepted by the recipients. I look forward to more illustrative and graphic design opportunities in the future.
